

CODE OF THE ASSOCIATION OF REAL DIGITAL REALTORS

1. General Provisions

1.1. The Association of Real Digital Realtors (hereinafter referred to as the "Association") unites realtors involved in digital real estate and its tokenization to uphold professional standards and promote the development of the digital real estate market.

1.2. This Code establishes ethical norms and standards of behavior that are mandatory for all members of the Association.

1.3. The Association is committed to advancing the tokenized real estate market, increasing transparency and integrity in transactions, and protecting the interests of all participants.

2. Mission and Objectives of the Association

2.1. **Mission of the Association:** To promote honesty and transparency in digital real estate transactions, support the professional development of digital realtors, and protect the rights of investors and buyers.

2.2. **Objectives of the Association:**

Develop the tokenized real estate market.

Increase trust in transactions involving digital assets.

Ensure a high level of professional ethics among realtors.

Protect the rights and interests of investors and buyers of digital real estate.

Conduct educational events and programs to enhance the qualifications of Association members.

3. Rights and Obligations of Association Members

3.1. **Rights of Association Members:**

Access professional resources and training.

Participate in Association events, including conferences and webinars.

Receive professional advice and support from the Association.

Be elected to the governing bodies of the Association.

3.2. **Obligations of Association Members:**

Adhere to the norms of this Code and applicable laws.

Perform professional duties with honesty, integrity, and transparency.

Inform clients about all risks and specifics of tokenized transactions.

Protect the confidentiality and security of client data.

Provide complete and accurate information about digital assets.

4. Principles of Professional Ethics

4.1. **Honesty and Transparency:** Members must always act in the best interests of their clients, providing complete and truthful information.

4.2. **Confidentiality:** All members must keep client information confidential and not disclose it to third parties without proper authorization.

4.3. **Conflict of Interest:** Realtors must avoid conflicts of interest and always act in the best interests of their clients without pursuing personal gain.

4.4. Professional Competence: Members must continually improve their skills and stay up-to-date with new trends in tokenization and digital real estate.

4.5. Responsibility for Service Quality: Realtors must provide only high-quality and reliable services to clients, avoiding errors that could cause harm.

5. Principles of Responsibility to Clients

5.1. Client Interests as a Priority: Members of the Association must prioritize their clients' interests as the core value in their professional activities.

5.2. Client Information: Realtors are obligated to provide clients with accurate, up-to-date, and clear information regarding transactions and associated risks.

5.3. Client Feedback: Members must respond promptly to client inquiries and ensure high-quality support throughout transactions.

6. Obligations to the Association

6.1. Active Participation: Members are required to actively participate in Association activities, including conferences, training sessions, and educational programs.

6.2. Collaboration with Colleagues: Members must contribute to the development of the professional community, share experiences, and support their colleagues.

6.3. Adherence to Association Standards: Members are obligated to follow the recommendations established by the Association and comply with its approved standards.

7. Sustainable Development and Innovation

7.1. Adoption of Innovations: Members should utilize modern technologies, including blockchain and digitalization, to enhance transparency and efficiency in transactions.

7.2. Support for Educational Initiatives: Members are required to contribute to the dissemination of knowledge and professional experience within the community.

8. Violations and Sanctions

8.1. Violations of this Code may include:

Unethical behavior when working with clients or partners.

Failure to fulfill obligations to clients.

Disclosure of confidential information.

Undermining trust in the tokenized real estate market.

8.2. Members may face the following sanctions for violating the Code:

Warning.

Fine.

Temporary suspension of membership.

Full expulsion from the Association.

8.3. All decisions regarding sanctions are made by the Association's Ethics Committee.
